

## **Rules for Alternative Hours Road Tests**

Once the road test request is reviewed, confirmed and scheduled by the RMV, NO changes can be made to that roster either on the portal or by the RMV.

The RMV will sometimes change Road Test Dates at their discretion, the DrivInstruct Driving Academy does NOT have any control over their decision to make these changes. The RMV provides us with a tentative test date and whenever switch dates, we at the DrivInstruct Academy will immediately inform students of the date. DrivInstruct Driving Academy does NOT change your road test date!

**Road tests are automatically cancelled when the Governor declares a state of emergency.**

The 72-Hour rule for cancellation is not available for Alternative-Hours Road Test bookings.

If you are late for your Road Test, you will not be tested and you will be required to pay the road test fee.

**Road test sponsorship fees are for sponsorship only and does not include \$85.00 RMV fees.**
